- **Pappas stated that "we must move beyond partisan squabbling," and "we must focus on working together."** "It's a new day in Washington, and I'm honored to have been give the opportunity to serve New Hampshire's First District. We must move beyond partisan squabbling and a broken Washington that simply doesn't work for regular people. Today I will vote for bills to re-open the government and a resolution to reform the rules of the House. In the coming days and weeks, I look forward to making progress on other key reforms that will end the culture of corruption, fix our broken campaign finance system, make it easier to vote, and put the power of our democracy back in the hands of the people."
