

Vasquez believes the U.S. needs to “deconstruct” law enforcement, calling it a system of oppression, and he has called for a “fundamental power shift” to topple white people who preside over “racism, killing & injustice.”

BACKUP:

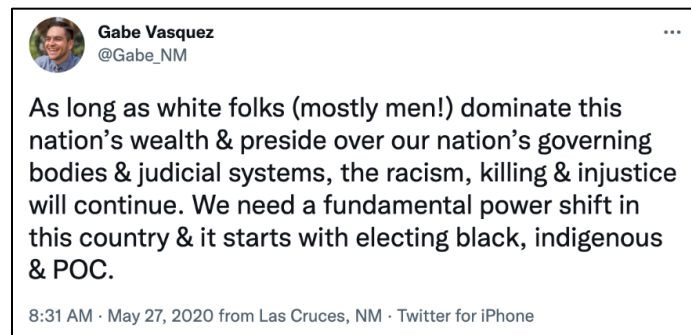

Vasquez believes the U.S. needs to “deconstruct” law enforcement, calling it a system of oppression, and he has called for a “fundamental power shift” to topple white people who preside over “racism, killing & injustice:”

- In 2020, Vasquez tweeted that the U.S. needs to “deconstruct and rebuild the systems of oppression that keep black people in perpetual harm,” such as law enforcement, the economy, and wealth inequality.
