

Frank Mrvan Voted Against Removing 1.4million Illegal Immigrants From Medicaid And Against Requiring Proof Of Citizenship Vote

On May 22, 2025, Mrvan Voted Against H.R. 1, The One Big Beautiful Bill Act. “Passage of the bill that would provide for approximately \$3.8 trillion in net tax cuts and \$321 billion in military, border enforcement and judiciary spending, offset by \$1.5 trillion in spending reductions, as instructed in the fiscal 2025 budget resolution (H Con Res 14). It would raise the statutory debt limit by \$4 trillion and provide for increased spending on defense and border security, spending cuts on social safety net programs, such as Medicaid and the Supplemental Nutrition Assistance Program. It also includes a mix of tax breaks for businesses and individuals; tax increases on universities and foundations; and a phase-down of clean energy tax credits. It would reduce spending on Medicaid by \$625 billion over a 10-year period and modify eligibility and cost provisions for enrollees and health providers and impose work, volunteer and education requirements on adults ages 19 to 64 who are covered by the program. It would appropriate “such sums as necessary” for reducing cost-sharing payments for low-income individuals who’ve purchased “silver” plans on the 2010 health care law’s exchanges. But payments to plans that cover abortions would be mostly barred. It would extend and make permanent individual tax brackets and rates included in the 2017 tax overhaul law (PL 115-97) and provide for the adjustment of the lower bounds of each tier based on inflation. It would reduce federal spending on the Supplemental Nutrition Assistance Program by requiring states to shoulder more of the cost, expand work requirements for SNAP, extend programs authorized under the 2018 farm bill, and prohibit the U.S. Department of Agriculture from increasing the cost of the Thrifty Food Program. As amended, it would cap state and local tax deductions at \$40,000 for households with incomes below \$500,000 and prohibit Medicaid funding for gender transition therapies or procedures for minors and adults, among other provisions.” (H.R. 1, [Roll Call #145](#), Passed: 215-214-1-2; R:215-2-1; D:0-212; Mrvan Voted Nay, 5/22/25; [CQ](#), Accessed: 6/10/25)

The One Big Beautiful Bill Act Would Remove 1.4 Million Illegal Immigrants From Medicaid

The One Big Beautiful Bill Act Will Remove 1.4 Million Illegal Immigrants From Medicaid. “More than 1.4 million illegal immigrants – including cold-blooded criminals, like those arrested this weekend in Los Angeles – are currently on Medicaid, stealing taxpayer-funded healthcare benefits meant for American citizens. The One Big Beautiful Bill puts a stop to that. By passing the One Big Beautiful Bill, Medicaid will be protected for generations of American citizens.” (The White House, “The One Big Beautiful Bill Will END Taxpayer-Funded Health Care For Illegals,” [Press Release](#), 6/9/25)

Under The One Big Beautiful Bill Act The 1.4 Million Illegal Immigrants Who Are Currently Receiving Medicaid Benefits Would Be Removed From The Program. “Of the 7.6 million, 1.4 million of these recipients are illegal immigrants who would be kicked out of the program and 1.2 million are those who are simply ineligible for the program.” (Isabelle Morales, “5 Myths About Medicaid Improvements in the One, Big, Beautiful, Bill,” [Americans for Tax Reform](#), 5/22/25)

According To Americans For Tax Reform The Bill Would Institute Federal Medicaid Assistance Plan Reductions For States Who Use Funds For Illegal Immigrants. “This bill would implement reasonable work requirements for able bodied adults, more frequent eligibility checks, eliminate illegal immigrants from the program (with an FMAP reduction for states whose funds to provide healthcare to illegals).” (Isabelle Morales, “5 Myths About Medicaid Improvements In The One, Big, Beautiful Bill,” [Americans For Tax Reform](#), 5/22/25)

Mrvan Voted Against The SAVE Act, Which Would Require Proof Of Citizenship To Register To Vote In Federal Elections

On April 10, 2025, Mrvan Voted Against H.R. 22, The Safeguard American Voter Eligibility Act. “Passage of the bill that would modify the 1993 law known as the National Voter Registration Act to require individuals to provide proof of U.S. citizenship when registering to vote in federal elections, including registering by mail. The bill also would require states to remove non-

citizens from state voting rolls and provide states with access to federal databases to identify registered non-citizens. It also would allow private citizens to sue election officials who register individuals to vote without providing proof of citizenship and would establish criminal penalties for such actions.” (H.R. 22, [Roll Call #102](#), Passed: 220-208-5; R:216-0; D:4-208; Mrvan Voted Nay, 4/10/25; [CQ](#), Accessed: 6/5/25)
