Vasquez Voted Against The One Big Beautiful Bill Act, Which Extends The 2017 Trump Tax Cuts, Preventing The Average Person In New Mexico A \$2,587 Per Year Tax Increase

On May 22, 2025, Vasquez Voted Against H.R. 1, the One Big Beautiful Bill Act. “Passage of the bill that would provide for approximately \$3.8 trillion in net tax cuts and \$321 billion in military, border enforcement and judiciary spending, offset by \$1.5 trillion in spending reductions, as instructed in the fiscal 2025 budget resolution (H Con Res 14). It would raise the statutory debt limit by \$4 trillion and provide for increased spending on defense and border security, spending cuts on social safety net programs, such as Medicaid and the Supplemental Nutrition Assistance Program. It also includes a mix of tax breaks for businesses and individuals; tax increases on universities and foundations; and a phase-down of clean energy tax credits. It would reduce spending on Medicaid by \$625 billion over a 10-year period and modify eligibility and cost provisions for enrollees and health providers and impose work, volunteer and education requirements on adults ages 19 to 64 who are covered by the program. It would appropriate “such sums as necessary” for reducing cost-sharing payments for low-income individuals who’ve purchased “silver” plans on the 2010 health care law’s exchanges. But payments to plans that cover abortions would be mostly barred. It would extend and make permanent individual tax brackets and rates included in the 2017 tax overhaul law (PL 115-97) and provide for the adjustment of the lower bounds of each tier based on inflation. It would reduce federal spending on the Supplemental Nutrition Assistance Program by requiring states to shoulder more of the cost, expand work requirements for SNAP, extend programs authorized under the 2018 farm bill, and prohibit the U.S. Department of Agriculture from increasing the cost of the Thrifty Food Program. As amended, it would cap state and local tax deductions at \$40,000 for households with incomes below \$500,000 and prohibit Medicaid funding for gender transition therapies or procedures for minors and adults, among other provisions.” (H.R. 1, [Roll Call #145](#), Passed: 215-214-1-2; R:215-2-1; D:0-212; Vasquez Voted Nay, 5/22/25; [CQ](#), Accessed: 6/10/25)

The One Big Beautiful Bill Act Made The 2017 Tax Changes Permanent. “The OBBBA makes the 2017 tax changes permanent, including the larger standard deduction, more generous child tax credit (CTC), lower ordinary tax rates, and tighter limitations to certain itemized deductions such

as the deduction for home mortgage interest (HMID). Permanence for TCJA-related individual provisions makes up most of the value of the tax cuts in the OBBBA.” (Garrett Watson, “FAQ: The One Big Beautiful Bill, Explained,” [Tax Foundation](#), 7/23/25)
