

**1. Sean McCann voted to allow energy companies to raise rates on Michigan families, who now face some of the highest energy costs in the Midwest, with \$800 million in approved hikes—all while taking \$57,000 in special interest money from the energy industry.**

**McCann Voted Against Senator Webber’s Amendment To Prevent Raising Electric Rates On Customers In Michigan Until 2040.** (SB 502 – Webber Amendment, [Roll Call #606](#), Failed: 18 – 20, McCann Voted Nay, 10/26/23)

In The Chair: Moss

Senator Webber offered the following amendment:  
 1. Amend page 11, following line 26, by inserting:  
 “(15) Beginning on the effective date of the amendatory act that added section 6aa, the commission shall not increase electric rates for residential customers in this state until January 1, 2040.” and renumbering the remaining subsections.  
 The question being on the adoption of the amendment,  
 Senator Lauwers requested the yeas and nays.  
 The yeas and nays were ordered, 1/5 of the members present voting therefor.  
 The amendment was not adopted, a majority of the members serving not voting therefor, as follows:
